

INTRO

Hi, my name is _____ I'm from The Greens and I'm visiting people in this area because this is an election year.

Did you know that there are going to be two elections this year?

These seats are very close so that gives you a real opportunity to have a powerful say in Australian Politics.

Would it be ok if I asked you a couple of quick questions?

ISSUES

Firstly, what issues are important to you?

Prompt if needed –climate change/ public transport/ health / economy / work-life balance / housing / aged care

Record on sheet & ACKNOWLEDGE/AGREE/VALIDATE

VOTE

Have you thought about how you are going to vote this year?

If ALP/Lib

Thank them for their time and politely wrap up

If Green

1. Great! Is that in both state and federal elections? Upper and lower houses?
2. Reaffirm importance of their vote this election: **Your vote is really important because there is a real chance that the Greens can win these seats this time.**
3. Check enrolment: **Are you enrolled to vote at this address?**
4. Email: **We want to minimise the amount of paper coming through your letterbox during the elections. Is it ok if we communicate with you by email?**
5. Leave leaflet

*If swing/
undecided*

1. Talk about their issues and link to voting Green this time:
 - Your vote is amongst the most important in the country.
 - This election is really important and your vote is powerful because you're in a Labour/Green seat. If the Greens won this seat it would send a strong message to the major parties about climate change.
 - Because these issues are so important we are asking people to consider voting for The Greens this time.
 2. If going well/YOUNG
 - Check enrolment at this address
 3. Ask for email
 4. Leave leaflet
-

WRAP UP

Thank them for their time and views

REMEMBER

- Don't waste time. It is better to spend time having more conversations with other people than a few long ones. In particular, if a person is locked-in Labor or Liberal, move on fast.
- If someone is especially supportive, ask if they want to be involved in the campaign and get their full details!
- RECORD ISSUES AND EMAIL ADDRESS IN FRONT OF PERSON; DON'T RECORD VOTING INTENTION AND OTHER DETAILS IN FRONT OF THEM
