Subject: RE: Gob-smacking effort

Hi Craig

Thanks for that, we've corrected it and updated the story.

Subject: Gob-smacking effort

Are you lot serious? This appeared - albeit briefly, until we corrected it - on our homepage. Embarrassing? You have no idea. The punters, of course, think it's our fault. And this is the future of subbing for Fairfax! It's a disgrace that you'd send this out. Lift your game, AAP.
