Dear Hanson Team,

Scroll down and read this email that my partner got access to today. She is close to someone in the electoral commission.

Thought you might find it interesting.

Please dont use my name in using this.

All the best.

Michael.

Subject: RE: Media Enquires: NSW Upper House

Dear Richard.

Thank you for your enquiry regarding advice on media enquires relating to today's pushing of the button for the Upper House preferences. Just stonewall them as much as possible when it comes to Hanson and her issues with the count. Do not mention that there is any possible provision for a recount. We know some of her people and the media are looking at the blank ballots and are trying to get them all rechecked because one of her scrutineers was meant to of found some of her votes in amongst the blanks (I have heard through the chain that there could be as many as 1200 across the state that are in with the blanks as there were a few dodgy electoral staff on, but don't offer that).

Hi Ian,

Just a quick note on your thoughts on the media and their requests for comment regarding today's Upper House vote. We are starting to get a few Pauline Hanson nutters calling through with accusations of foul play with the count and various conspiracy theories.

Thanks,
