

Sophie Mirabella MP

Federal Member for Indi

This election is about giving you and families in Wodonga a better future.

But we can only do this if we have a strong federal government that is in control of the economy. A strong national economy means a strong local economy in Wodonga, job security, less debt and more government money for local projects.

In recent years, I have worked hard to secure \$518 million of funding under the former Howard Government for the internal freeway. And working to support the local community campaign, we successfully lobbied the CEO of Headspace, Dr Chris Tanti, for a Headspace centre right here on the Border.

At the last election, I promised to fight for a Border Cancer Centre. We have had a successful local campaign and pressured former Labor Minister, Simon Crean to announce \$65 million for the Border Cancer Centre.

I also succeeded in getting an inquiry to find out why \$700 million was wasted on getting a less safe and slower rail service for local commuters.

But there is still more to be done.

If I am re-elected, with your support, I will work hard and fight to:

- Abolish the Carbon Tax to reduce electricity and gas prices and protect Australian jobs,
- Build a new emergency ward and cardiac catheter lab at the Albury Wodonga Hospital,
- Improve mental health services, especially for those aged over 25,
- Fix the train service between Wodonga and Melbourne,
- Deliver tax cuts – without the Carbon Tax – through stronger budget management.

As a senior member of the Coalition team, I will knock on the right doors in Canberra and argue the case for these important issues in the Wodonga area. I won't take no for an answer.

Yours sincerely,

A handwritten signature in cursive script that reads "Sophie Mirabella".

SOPHIE MIRABELLA MP
FEDERAL MEMBER FOR INDI

P.S. The only way to ensure we get rid of the Federal Labor-Independent Government is to vote Liberal in Indi at this election.
